Pupil premium 2018 to 2019: conditions of grant

1. Introduction

The Secretary of State for Education lays down the following terms and conditions on which assistance is given in relation to the pupil premium grant (PPG) payable to schools and local authorities for the financial year beginning 1 April 2018. PPG provides funding for two policies:

- raising the attainment of disadvantaged pupils of all abilities to reach their potential
- supporting children and young people with parents in the regular armed forces

2. Rates for eligible pupils

The PPG per pupil for 2018 to 2019 is as follows:

Disadvantaged pupils	Pupil premium per pupil
Pupils in year groups reception to year 6 recorded as Ever 6 free school meals	£1,320
Pupils in years 7 to 11 recorded as Ever 6 FSM	£935
Looked-after children (LAC) defined in the Children Act 1989 as one who is in the care of, or provided with accommodation by, an English local authority	£2,300
Children who have ceased to be looked after by a local authority in England and Wales because of adoption, a special guardianship order, a child arrangements order or a residence order	£2,300
Service children	Pupil premium per pupil
Pupils in year groups reception to year 11 recorded as Ever 6 service child or in receipt of a child pension from the Ministry of Defence	£300

3. Eligibility

3.1 Ever 6 Free School Meals (FSM)

The pupil premium for 2018 to 2019 will include pupils recorded in the January 2018 school census who are known to have been eligible for FSM since May 2012, as well as those first known to be eligible at January 2018.

3.2 Children adopted from care or who have left care

The pupil premium for 2018 to 2019 will include pupils recorded in the January 2018 school census and alternative provision census, who were looked after by an English or Welsh local authority immediately before being adopted, or who left local authority care on a special guardianship order or child arrangements order (previously known as a residence order). These are collectively referred to as post-LAC in these conditions of grant.

3.3 Ever 6 service child

For the purposes of these grant conditions, Ever 6 service child means a pupil recorded in the January 2018 school census who was eligible for the service child premium since the January 2013 census as well as those recorded as a service child for the first time on the January 2018 school census. The grant will be allocated as set out in sections 4, 5 and 6 below. Where national curriculum year groups do not apply to a pupil, the pupil will attract PPG if aged 4 to 15 as recorded in the January 2018 school census.

4. Allocations to schools

4.1 Mainstream schools

For the purposes of these conditions of grant, mainstream school means infant, junior, primary, middle, secondary, high schools, special school and pupil referral units. It does not include general hospital schools or other alternative provision.

DfE will allocate PPG to schools and local authorities (who must allocate for each FTE pupil on the January 2018 school census, at each school they maintain) the following amounts:

- £1,320 per pupil for each Ever 6 FSM FTE pupil aged 4 and over in year groups reception to year 6, except where the pupil is allocated the LAC or post-LAC premium
- £935 per pupil for each Ever 6 FSM FTE in year groups 7 to 11, except where the pupil is allocated the LAC or post-LAC Premium
- £2,300 per pupil for each post-LAC in year groups reception to year 11
- £300 for each pupil aged 4 and over in year groups reception to year 11 who is either Ever 6 service child FTE or in receipt of pensions under the Armed Forces Compensation Scheme (AFCS) and the War Pensions Scheme (WPS)

For pupils recorded aged 5 and over on the school census, PPG will be allocated on the basis of sole and dual main registrations only.
