

Dear Parents/ Carers,

2020 SPRING TERM 2 CLUB BOOKING

CLUB BOOKING CLOSSES AT MIDNIGHT ON SATURDAY 22ND FEBRUARY 2020.

As always, places will be allocated on a first come first served basis. **You will receive email confirmation if your request has been successful.**

Occasionally, clubs do have to be cancelled or changed at short notice but we will always try to give as much notice as possible. If this is the case, you will be notified via ParentPay.

What parents need to do?

You need to visit the '**parents**' section on the school website, then click on '**clubs**'. The booking process is easy!

2. Enter your child's full name
3. Select the clubs you wish to book for your child
4. Enter your email address so that email confirmation can be sent

IMPORTANT INFO:

- You will need to repeat the booking process for each child

Cookery. Children will need a sealable container and apron for **EVERY** session please. Please make sure they have it for every cooking session. This term they will make jam turnovers, pasties, breakfast bars, lasagne and fruity flapjack. If your child has a dietary requirement, please provide this information at the time of booking. Cookery has increased in price to £5 per session.

Multiskills. The term 'Multi-skills' is often used to indicate a wide variety of movement skills and experiences that provide the foundation for the development of sport or activity-specific skills. Alongside the development of movement skills, it is equally important to include activities that challenge thinking and communication skills. Children will consider how important the ability to think about where to move, when to move, how to move, or to communicate instructions or guidance to a team mate or dance partners as well as having a great deal of fun! Your level of sporting ability is irrelevant, if you want to keep fit and have fun this is a fantastic club to join.

Hockey. Children will need to wear outdoor sportswear, shin pads with ankle protection and trainers with good tread. Mouth guards are optional but not essential. Children will play outside in all weathers so suitable layers are advised. Children will play using the Quick-Sticks rules with wooden hockey sticks.

Desire Sports Football. Children will need to wear football kit, shin pads and moulded football boots (not spikes or AstroTurf boots). Children play in all weathers so suitable layers are advised. Children are expected to change themselves (so it is worth having a practice at home); Marc will assist with shin pads and laces only. Children need to be collected from the wooden gate to the side of the school.

Gymnastics. (Year 1, 2 and 3): Children will need to wear comfortable sportswear (PE kit is fine) and bare feet for movement around the hall. Children joining for the first time will be expected to change themselves.

Morning Football. Children should arrive at school in their football kits. Children will need to change into school uniform at the end of the club. Please drop children off at the wooden gate to the side of the school.

Dodgeball. Dodgeball is a team sport in which players on two teams try to throw balls and hit opponents, while avoiding being hit themselves. The objective of each team is to eliminate all members of the opposing team by hitting them with thrown balls, catching a ball thrown by an opponent, or inducing an opponent to commit a violation, such as stepping outside the court. Soft playground balls are used as they move slower through the air and are easier to dodge. Dodgeball can create an atmosphere of teamwork and cooperation. Children should wear their PE kits.
