

**Mustard Seed Project**  
**Growing a better future**

# Africa

Mombasa , Kenya

**September 2009**

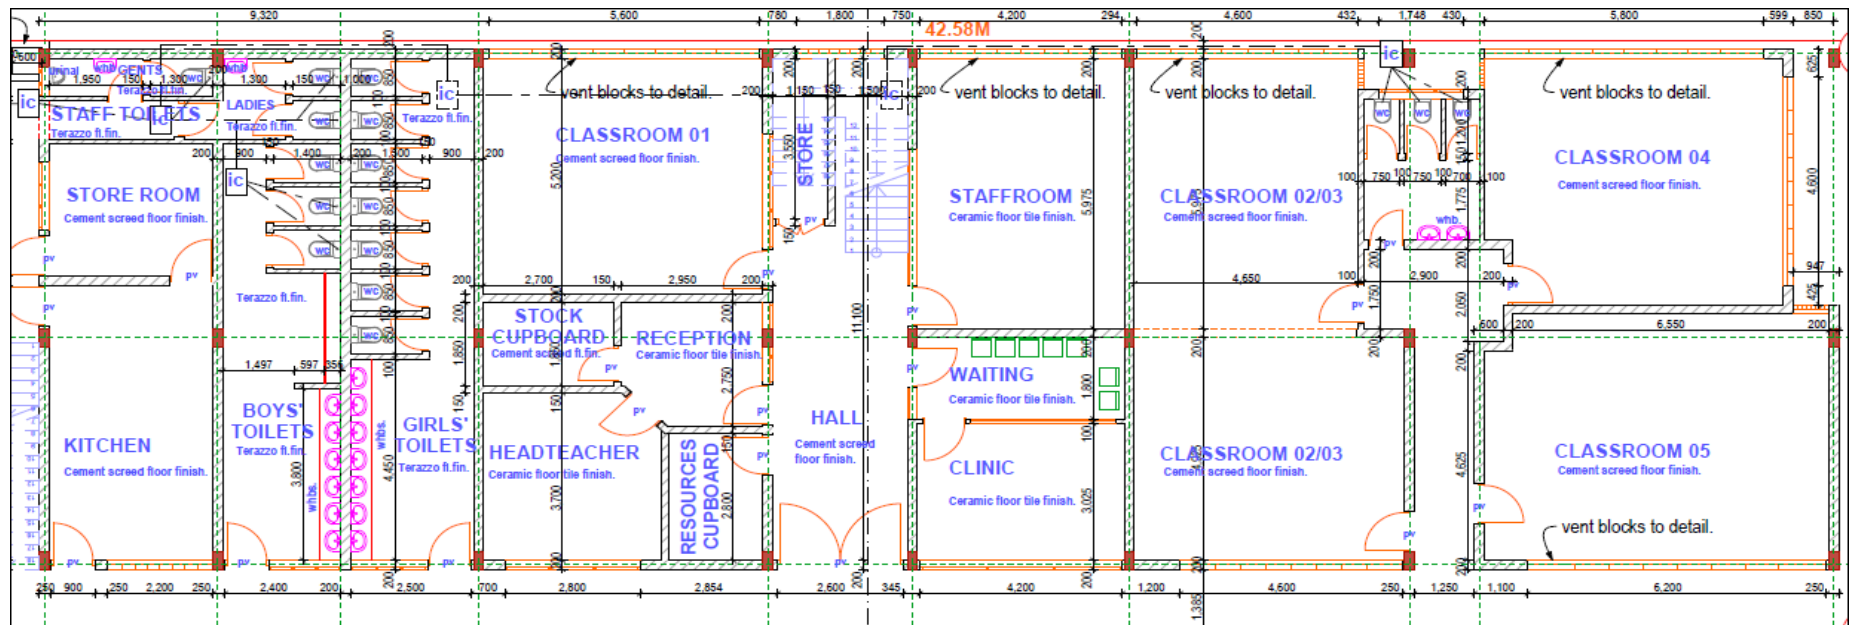

**Half our children are in this rented building**

**6 classes of 25 children**

# Ground floor of the building

**Completed!!**

**We Now have 275 Children**

**The outside of the completed ground floor, five classes of 25 are here**

# Children working in one of the new classrooms

**We have beautiful toilets with running water**

## **The jiko in the new kitchen**

**It is very economical to run**

## **Our very happy cooks**

**They will take it in turns to cook in the new kitchen**

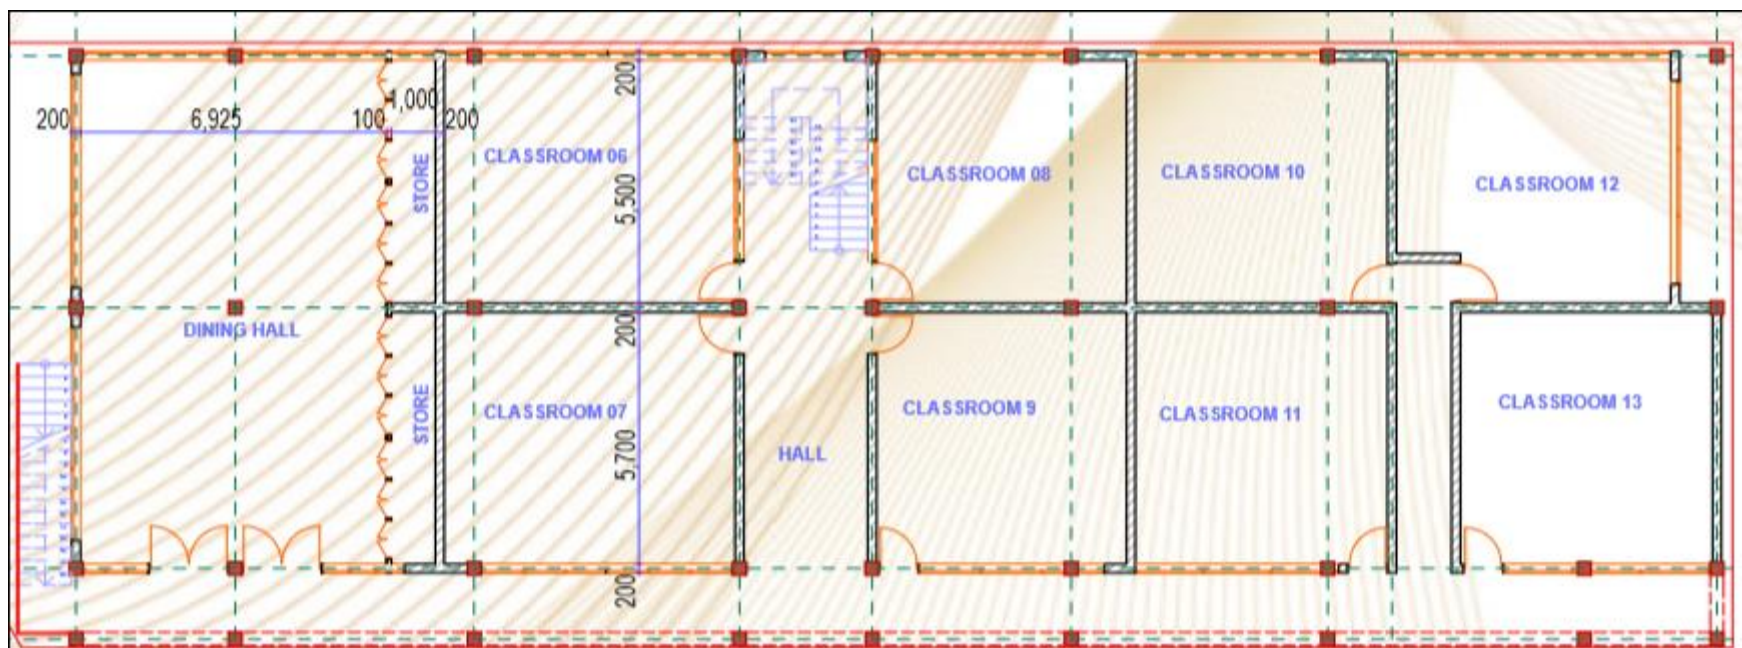

# **Our feeding programme**

**Problem solved until June 2019**

**We are now fundraising for the first floor**

**We have a place in next year's London Marathon**

**Other good news,  
Charlie has agreed to be a trustee for Mustard Seed Project**

**We took out reading glasses for anyone who needs them**

**They were very popular**

**And so were your shoes!**

**Youth project is progressing well.**

**Thank you Northborough Primary School for all your help**
