TRUST**

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, Sport and Physical Activity (PESPA) they offer. This means that you should use the Primary PE and Sport Premium to:

- Develop or add to the PESPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Schools are required to [publish details](#) of how they spend this funding as well as on the impact it has on pupils' PE and sport participation and attainment by the end of the summer term or by **31 July 2022** at the latest.

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your students now and why? Use the space below to reflect on previous spend, identify current need and priorities for the future.

Key achievements to date: Continuing from July 2021	Areas for further improvement and baseline evidence of need:
The number of children taking part in after school sport has continued to be high. If numbers are reduced new clubs are considered and pupil voice is taken into consideration. Sept 2021 Offering a wide range of after school clubs • An increase in the amount of physical activity undertaken by each pupil • Restart : • Daily Mile – 3 x weekly by all classes – promotions through year – Ukraine- Commonwealth etc • Great success in a variety of competitive sports (new events booked ready) SOKE - • Good provision for GDS children in competitions • The quality of overall of provision has improved (CPD) so that all teaching in this area is good or better (curriculum planning) • The school is better equipped to provide sports lessons and lunchtime/break activities – Over £6000 on new equipment • Coaches have upskilled teachers/ staff in a variety of sports. • Links with other subjects that contribute to pupils’ overall achievement and their greater social, spiritual, moral and cultural skills • SEND/FSM included in clubs continue to monitor • New assessment GETSET4PE – bought – needs to be implemented ASAP SEPTEMEBR 2022. • Links made with outside agencies • Themes to promote sport interest – Commonwealth etc • Sports Days success and Festival of fun – run by Year 6 leaders • Year 6 leaders used throughout Year with lower years – training and certificates from AMVC	Subject lead – leaving July 2022 – recommendations: Swimming was unable to be given this year due to local swimming closure – even though Northborough asked for assistance in this schools were unable to help. On a parent forum – 85% of Year 6 children are said to be able to complete a length of a pool in a recognised stroke. Make sure new assessment is used effectively – have asked to be put on iPads for September – YDP (outside provider) should use the iPads Continue to promote Daily Mile –have themes etc to engage Equipment to be put in other shed – equipment needs to be looked after better by school. PRIORITY Begin new sports for Autumn – JP already made new coverage for school on GETSET4 PE. Continue with SOKE competitions etc Have put Northborough on for new Peterborough leagues for netball and football Continue Monitor FSM / SEND for clubs Create more chances for inter-house competitions – colour groups etc Create more links with The SOKE academy for netball and football

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your children may swim in another year please report on their attainment on leaving primary school.	This is need of urgent review- we are hoping for swimming pools to be opening by the Summer Term. Other school with pools need contacting Autumn 1 for this to be implemented!
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	Approximately 85 % achieved 2022 – going by parent discussion
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	Not able to say due to no swimming this year.
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	This will be used for Year 6 only children as soon as possible. AUTUMN 22 – then year 5 downwards . URGENT
