

# Summer Term 1 Topic Homework

This term we are looking at Brilliant Brazil!

Choose one or more tasks from the table below to complete for your homework.

|   |  |   |
|---|--|---|
| Create a model of a rainforest habitat.<br>-Art   | Collect information about a rainforest animal. You could write it into a story or create an information text about it.<br>-Writing                     | Design a house suitable for a rainforest climate. Add labels and explain why you have used certain elements in your creation. -DT   |
| Rainforests are in many different countries other than Brazil. Can you locate and name some other countries that also have rainforests?<br>-Geography | Experiment with growing at home. Can you measure and track a plant as it grows? You could measure and record its height as it gets taller.<br>-Science | Can you create a Rainforest piece of music?<br>-Music   |
| Find out more about the creatures of the rainforest and read around the topic. Can you share which book was the most interesting? -Reading            | Create a maths card game based on multiplication facts for your x2, x5 and x10 times tables?<br>-Maths   | <b>Make Sure:</b> <ul style="list-style-type: none"><li>• You don't leave it until the last minute.</li><li>• Work has good spellings and punctuation.</li><li>• It is worthy of going up on display!</li></ul> |

**The deadline for completed homework is Wednesday 5th June.**
