July 2025

2025 SUMMER 2 CLUB BOOKING

Club booking opens at 10am on MONDAY 21ST JULY and closes at 5pm on FRIDAY 29TH AUGUST 2025.

Children can attend a sports club of their choice for 1 half term, at no cost to parents and carers. Your child's **first YDP** club booking will be logged as their FREE entitlement. All YDP sports sessions booked after this must be paid for in full using the payment information provided overleaf. Club places are available on a first come, first served basis.

What to wear:

PE kit should be worn for all sports clubs, including trainers with good tread. Crop tops/ sports bra style tops are not permitted.

Payment:

Where payment is applicable, please use 'Nboro' and 'your child's surname' as payment reference. This is important so that club organisers can locate your payment.

YDP Football: Children will need to wear a football kit, shin pads and moulded football boots (not spikes or Astroturf boots). Children play in all weathers so suitable layers are advised, this is especially important as we move into the winter months. Children will be expected to change themselves and coaches will assist with shin pads and laces only. It is worth having a practice at home.

Team Sportex Tag Rugby: Mr Rockliffe (TA and Rugby Development Coach for Peterborough Lions) is passionate about rugby and is pleased to be able to offer the club to children in Key Stage 2. Tag rugby is a non contact version of rugby where physical contact, like tackling, is replaced with players wearing tags attached to their shorts that defenders remove to stop the ball carrier. It's a fast-paced, inclusive game that focuses on agility, passing, and evasion, making it suitable for all ages and skill levels.

YDP Netball: High Five Netball is a modified, simplified version of netball designed for younger players with a focus on fun and skill development. It features five players per team on the court, instead of the usual seven, and includes off-court roles like scoring and timekeeping to engage all players. The game emphasizes learning basic netball skills and tactical awareness within a less structured environment.

YDP Multi-sport: Over the term, children will have the opportunity to take part in orienteering, tennis, basketball, hockey and running. Coach Tom will run a session especially for EYFS children and their parents. Children must attend with a grown-up. We will review uptake and participation engagement and decide whether we will continue into Autumn 2. EYFS children will not need to change for this club but they would benefit from trainers with good tread.

Outdoor Adventure Club: Come join us for some fresh air and fun in *The Orchard* and Outdoor Learning area! The Outdoor Adventure Club is all about getting children outside, exploring nature, getting creative and learning new skills. Each week we dive into hands-on activities like: Building nests, learning simple knots, bug hunting, making shelters, nature crafts and fun outdoor games and challenges all to build confidence and teamwork. The club will be run by Claire Palmer. Just make sure children have suitable covered footwear and a coat if cold or wet.

Cookery: Children will need a sealable container and apron to attend this club – both will be needed every week. **This term children will make: pizza, frittata, cup cakes, oat cookies, marble cake, bacon/**

cheese swirls and chicken fajitas. Mrs Sallis will do her best to substitute ingredients to accommodate dietary requirements such as gluten free and vegetarian choices however this may not always be possible.

JMP Street Dance: Street dance is a broad term encompassing various dance styles that originated in urban environments, outside of traditional dance studios. It's often associated with hip-hop, funk, and club cultures, and includes styles like breakdancing, locking, popping, and more. Street dance is characterized by its improvisational nature, social interaction, and connection to the communities where it developed.

Choir: Mrs Simcoe (Year 2 Class Teacher and Music Coordinator) leads the school choir. Children will benefit from performing at special occasions in school e.g. Christmas events, church services and more. Choir will continue with the same children this year - no need to rebook each half term.

Clubs run from 3.30pm - 4.30pm except for choir, which finishes at 4.15pm
