2025 AUTUMN 2 CLUB BOOKING

Club booking opens at 10am on THURSDAY 23rd OCTOBER and closes at 5pm on FRIDAY 31ST OCTOBER 2025. Club places are available on a first come, first served basis.

Children can attend a sports club of their choice (for 1 half term), at no cost to parents and carers. Your child's first YDP, JMP or Sportex after school club booking will be logged as their FREE entitlement.

If your child attends a sports club after their FREE entitlement. You must be sure to pay for their attendance.

What to wear:

PE kit should be worn for all sports clubs, including trainers with good tread. Crop tops/ sports bra style tops are not permitted.

Payment:

Where payment is applicable, please use 'Nboro' and 'your child's surname' as payment reference. This is important so that club organisers can locate your payment.

Team Sportex Tag Rugby: Mr Rockliffe (TA and Rugby Development Coach for Peterborough Lions) is passionate about rugby and is pleased to be able to offer the club to children in Key Stage 2. Tag rugby is a non contact version of rugby where physical contact, like tackling, is replaced with players wearing tags attached to their shorts that defenders remove to stop the ball carrier. It's a fast-paced, inclusive game that focuses on agility, passing, and evasion, making it suitable for all ages and skill levels.

YDP Racket Sports: Racket sports provide a full-body workout that improves physical and mental health, with key skills including hand-eye coordination, agility, balance, and strategic thinking. Throughout the term, children will play tennis, table tennis, pickleball and badminton.

YDP Gymnastics: Gymnastics provides physical benefits like strength, flexibility, and coordination, while also developing crucial skills such as discipline, confidence, and problem-solving. Key skills include full-body strength from bodyweight exercises, balance and spatial awareness through controlled movements, and improved coordination. Beyond the physical, gymnastics fosters mental and social growth through perseverance, goal-setting, teamwork, and resilience

YDP Dodgeball/ Handball: Dodgeball and handball are distinct sports. Dodgeball is a team game where players try to eliminate opponents by hitting them with a ball, while handball (also known as team handball) is a sport where teams score by throwing a ball into a goal, using their hands but not their feet. A "Dodgeball handball" game can refer to a specific variation, such as one where the objective is to eliminate opponents and score by hitting the opponent's cones, or as a general term for both activities.

YDP Inclusive: This club will allow children the opportunity to play bocca, new age kurling, sitting down volleyball and goal ball. Inclusive sports provide physical, mental, and social benefits for all participants by fostering fitness, building confidence, and promoting a sense of belonging and acceptance. Additionally, they challenge societal stereotypes by promoting empathy and increasing understanding and appreciation for diversity.

****NEW** Art Club:** We are delighted to introduce a brand-new Art Club, run by Claire Palmer. This term's theme is "Shapes, Lines and Patterns", and children will have the opportunity to explore a wide range of

creative techniques and materials. They will experiment with paint, printing techniques, oil pastels, soft pastels, and more as they develop their artistic skills and confidence.

Highlights of the term include:

- Collaborative Artwork – working together to create a large-scale group piece.
- Printed Shape Castle Project – inspired by the work of artists Paul Klee and Mary Blair.

The Art Club is designed to be both educational and fun, giving children the chance to express themselves creatively and develop new skills in a supportive environment.

Cookery: Children will need a sealable container and apron to attend this club – both will be needed every week. **This term children will make: rocky road, kebabs, smartie cookies, meatballs, mini rolls and biscuits.** *Mrs Sallis will do her best to substitute ingredients to accommodate dietary requirements such as gluten free and vegetarian choices however this may not always be possible.*

JMP Street Dance: Street dance is a broad term encompassing various dance styles that originated in urban environments, outside of traditional dance studios. It's often associated with hip-hop, funk, and club cultures, and includes styles like breakdancing, locking, popping, and more. Street dance is characterized by its improvisational nature, social interaction, and connection to the communities where it developed.

Choir: Mrs Simcoe (Year 2 Class Teacher and Music Coordinator) leads the school choir. Choir will continue with the same children this year - no need to rebook each half term.

Clubs run from 3.30pm - 4.30pm except for choir, which finishes at 4.15pm
