## 2026 SPRING 1 CLUB BOOKING

Club booking **opens at 10am on WEDNESDAY 17TH DECEMBER and closes at 5pm on SUNDAY 4TH JANUARY 2026.** Club places are available on a first come, first served basis.

Children can attend a sports club of their choice (**for 1 half term**), at no cost to parents and carers. Your child's **first YDP or Team Sportex** after school club booking will be logged as their **FREE entitlement.**

**If your child attends a sports club after their FREE entitlement. You must be sure to pay for their attendance. Children should NOT attend a paid for club without issuing payment to club organisers before the club commences.**

### **What to wear:**

PE kit should be worn for all sports clubs, including trainers with good tread. Crop tops/ sports bra style tops are not permitted. Children attending tag rugby would benefit from layers and gloves to remain warm.

### **Payment:**

Where payment is applicable, please use 'Nboro' and 'your child's surname' as payment reference. This is important so that club organisers can locate your payment.

**Choir:** Join Mrs Simcoe (Year 2 Class Teacher and Music Coordinator) leads the school choir. Choir will continue for the full Spring term so no need to re-register for Spring 2. Attending children will be invited to perform at the schools annual Music Evening in March/ early April.

**Lego:** Join Mrs Weightman for Lego Club, a fun, creative group activity where enthusiasts meet to build with LEGO bricks, often with themes, challenges, and opportunities to share ideas, learn techniques, build social skills, and foster problem-solving.

**Art Club:** Join Mrs Palmer for another fun and creative series of art projects! This term we will be creating:

- 'Crazy Birds' drawn using chalk pastels on black card.
- 'Catching Snowflakes' portraits using paint and oil pastels.
- Wayne Thiebaud-inspired 3D cakes using oil pastels, focusing on drawing skills, shading, and blending to create realistic depth.

Art club is designed to be both educational and fun, giving children the chance to express themselves creatively and develop new skills in a supportive environment. We're looking forward to another wonderfully creative term ahead!

**Cookery:** Children will need a sealable container and apron to attend this club – both will be needed every week. **This term children will make: pizza, lemon cake, vegetable rolls, flapjack and chocolate cake.** *Mrs Sallis will do her best to substitute ingredients to accommodate dietary requirements such as gluten free and vegetarian choices however this may not always be possible.*

**Team Sportex Tag Rugby:** Tag rugby is a non contact version of rugby where physical contact, like tackling, is replaced with players wearing tags attached to their shorts that defenders remove to stop the ball carrier. It's a fast-paced, inclusive game that focuses on agility, passing, and evasion, making it suitable for all ages and skill levels.

**YDP Boxing/ Boxercise:** This club is based on the training concepts boxers use to keep fit. Classes can take a variety of formats but a typical one may involve shadowing, skipping, hitting pads, press-ups, shuttle runs and sit ups. Sessions are non-contact, fun, challenging and safe.

**YDP Handball:** Handball is a sport where teams score by throwing a ball into a goal, using their hands but not their feet. A "Dodgeball handball" game can refer to a specific variation, such as one where the objective is to eliminate opponents and score by hitting the opponent's cones, or as a general term for both activities.

**YDP indoor multisports:** Indoor multisports involve various activities like basketball, volleyball, badminton, futsal, and even adapted games like indoor golf or target toss, often using adaptable spaces like sports halls or home setups for fitness and fun, keeping people active year-round. They range from classic court games to fun, creative challenges using simple equipment like balloons, cones, or bean bags, focusing on skill-building and general fitness indoors.

**YDP Jabadao:** Jabadao is Developmental Movement Play. This approach of Movement Play influences the importance of physical play in child development. Some of the resources used in the sessions are exercise balls, musical instruments, ribbons and roll mats. T

**Clubs run from 3.30-4.30pm except for choir and Lego, which finish at 4.15pm**
