2026 SPRING 2 CLUB BOOKING

Club booking **opens** at 10am on **THURSDAY 12TH February** and **closes** at 5pm on **FRIDAY 20TH FEBRUARY 2026**. Club places are available on a first come, first served basis.

Children can attend a sports club of their choice (**for 1 half term**), at no cost to parents and carers. Your child's **first YDP or Team Sportex** after school club booking will be logged as their **FREE** entitlement.

If your child attends a sports club after their FREE entitlement. You must be sure to pay for their attendance. Children should NOT attend a paid for club without issuing payment to club organisers before the club commences.

If you can't remember if your child has used their free allocation, please contact the school office.

What to wear:

PE kit should be worn for all sports clubs, including trainers with good tread. Crop tops/ sports bra style tops are not permitted. Children attending football and tag rugby would benefit from layers and gloves to remain warm.

Payment:

Where payment is applicable, please use 'Nboro' and 'your child's surname' as payment reference. This is important so that club organisers can locate your payment.

Choir: Join Mrs Simcoe (Year 2 Class Teacher and Music Coordinator) leads the school choir. Choir will continue for the full Spring term so no need to re-register for Spring 2. Attending children will be invited to perform at the schools annual Music Evening in March/ early April.

Art Club: Join Mrs Palmer for another fun and creative series of art projects! This term we will be creating:

- Hearts- creating and then layering their own wrapping paper designs to create a bright, beautiful and layered piece of art.
- Egg Cartons Faces - using egg cartons and tempura paint to create unique face sculptures. (Please provide at least one empty egg box, unusual sizes and shapes encouraged!)
- Jackson Pollock inspired artwork- using black, white and red tempura paint, sponge printing, paint texture and splatter art!

Art club is designed to be both educational and fun, giving children the chance to express themselves creatively and develop new skills in a supportive environment. We're looking forward to another wonderfully creative term ahead!

Cookery: Children will need a sealable container and apron to attend this club – both will be needed every week. **This term children will make: lemon cake, pizza, carrot cake, sausage plait and biscuits.** Mrs Sallis will do her best to substitute ingredients to accommodate dietary requirements such as gluten free and vegetarian choices however this may not always be possible.

Coding Club: An opportunity to take part in a structured, project-based club, using micro:bits. The BBC micro:bit is a pocket-sized computer that introduces you to how software and hardware work together. It has an LED light display, buttons, sensors, a speaker, microphone and many other input/output features that, when programmed, let it interact with you and your world.

Please note that this is a structured, project-based club and will be hosted by Mr and Mrs Schilling.

Team Sportex Tag Rugby: Tag rugby is a non contact version of rugby where physical contact, like tackling, is replaced with players wearing tags attached to their shorts that defenders remove to stop the ball carrier. It's a fast-paced, inclusive game that focuses on agility, passing, and evasion, making it suitable for all ages and skill levels.

YDP Football: Children can wear PE kit or a football kit (if they have one however if team rivalry becomes a barrier, children will be asked to wear PE kit only), shin pads and moulded football boots (not spikes or AstroTurf boots). Children play in all weathers so suitable layers are advised, this is especially important as we move into the winter months. **Children will be expected to change themselves and coaches will assist with shin pads and laces only.**

YDP Netball: Children will have the opportunity to learn how to play high five netball. Bringing together a combination of speed, skill, agility, balance and tactics. Children will need to work as a team to perfect their skills. Sessions will take place outside, irrespective of weather. Layers are recommended to remain warm. Gloves with grips are beneficial in the colder months.

YDP Tennis: Sessions will focus on developing agility, balance, and coordination through games and drills that teach basic strokes, serving, and rallying. It promotes physical health, social interaction, and core values like resilience and teamwork.

YDP Hockey: Children will learn fundamental skills like dribbling, passing, and shooting through fun,, safe, and small-sided games (4v4). Sessions focus on developing physical agility, balance, and coordination, alongside teamwork, respect, and confidence. It is a high-energy, inclusive environment designed to build fundamental movement skills and foster a love for the sport.

Clubs run from 3.30-4.30pm except for choir and coding club, which finish at 4.15pm
