2026 SUMMER 1 CLUB BOOKING

Club booking **opens at 10am on THURSDAY 26TH MARCH and closes at 5pm on FRIDAY 10TH APRIL 2026**. Club places are available on a first come, first served basis.

Children can attend a sports club of their choice (**for 1 half term**), at no cost to parents and carers. Your child's **first YDP or Team Sportex** after school club booking will be logged as their **FREE entitlement**.

If your child attends a sports club after their FREE entitlement. You must be sure to pay for their attendance. Children should NOT attend a paid for club without issuing payment to club organisers before the club commences.

If you can't remember if your child has used their free allocation, please contact the school office.

What to wear:

PE kit should be worn for all sports clubs, including trainers with good tread. Crop tops/ sports bra style tops are not permitted. Children attending football and tag rugby would benefit from layers and gloves to remain warm.

Payment:

Where payment is applicable, please use 'Nboro' and 'your child's surname' as payment reference. This is important so that club organisers can locate your payment.

Choir: Join Mrs Simcoe (Year 2 Class Teacher and Music Coordinator) leads the school choir. Choir will continue into Summer 1 only. You do not need to re-book if your child attended during Spring 2. However, if they are new to choir, please book.

Back for 2026! Outdoor Adventure Club: Come and join me (Mrs Palmer) for some fresh air and fun in The Orchard and BRAND NEW Outdoor Classroom area! The Outdoor Adventure Club is all about getting children outside, exploring nature, getting creative and having fun. Each week we dive into hands-on activities. This term will include den building (always!) nest challenge, water cup challenge, capture the flag, nature crafts and more. Please make sure children have appropriate footwear (wellies are advised) and a coat, please. We will endeavour to be out in all weathers.

Cookery: Children will need a sealable container and apron to attend this club – both will be needed every week. **This term children will make: pizza, lemon cakes, cheese swirls, chocolate cake, enchiladas and fruity flapjack.** Mrs Sallis will do her best to substitute ingredients to accommodate dietary requirements such as gluten free and vegetarian choices however this may not always be possible.

Team Sportex Tag Rugby: Tag rugby is a non contact version of rugby where physical contact, like tackling, is replaced with players wearing tags attached to their shorts that defenders remove to stop the ball carrier. It's a fast-paced, inclusive game that focuses on agility, passing, and evasion, making it suitable for all ages and skill levels.

YDP Football: Children can wear PE kit or a football kit (if they have one however if team rivalry becomes a barrier, children will be asked to wear PE kit only), shin pads and moulded football boots (not spikes or AstroTurf boots). Children play in all weathers so suitable layers are advised, this is especially important as we move into the winter months. **Children will be expected to change themselves and coaches will assist with shin pads and laces only.**

NEW! YDP Cheerleading: The programme is led by Georgia, a BGU Cheer qualified coach. Each session will include safe cheerleading techniques, simple routines, and supportive activities suitable for all abilities. It's a fantastic opportunity for children to try something new, stay active, and develop positive skills in a friendly and encouraging environment.

YDP Rounders: Rounders is a striking and fielding game, where points known as 'rounders' are scored by the player hitting the ball with a bat and then completing a circuit of the track-consisting of four posts. The aim is to both score the most number of rounder's, as well as to get the batting team out; as fast as possible.

YDP Athletics: Children will focus on developing their technical understanding of athletic activity. They will learn how to set targets and improve their performance in a range of running, jumping and throwing activities. As in all athletics activities, children think about how to achieve the greatest height, speed, distance or accuracy.

Clubs run from 3.30-4.30pm except for choir and chess, which finish at 4.15pm

Day	Club	Dates	Payment	Year
