2026 SUMMER 2 CLUB BOOKING

Club booking opens at 10am on THURSDAY 21ST MAY and closes at 5pm on FRIDAY 29TH MAY 2026. Club places are available on a first come, first served basis.

Children can attend a sports club of their choice (**for 1 half term**), at no cost to parents and carers. Your child's **first YDP or Team Sportex** after school club booking will be logged as their FREE entitlement.

If your child attends a sports club after their FREE entitlement. You must be sure to pay for their attendance. Children should NOT attend a paid for club without issuing payment to club organisers before the club commences.

If you can't remember if your child has used their free allocation, please contact the school office.

What to wear:

PE kit should be worn for all sports clubs, including trainers with good tread. Crop tops/ sports bra style tops are not permitted. Children attending football and tag rugby would benefit from layers and gloves to remain warm.

Payment:

Where payment is applicable, please use 'Nboro' and 'your child's surname' as payment reference. This is important so that club organisers can locate your payment.

Choir: As Mrs Simcoe continues to recover from an injury, she is unfortunately unable to run the after-school choir club at this time. She will endeavour to offer sessions at lunchtime where possible during Summer 2. Thank you for your understanding and continued support.

Back for 2026! Outdoor Adventure Club: Come and join me (Mrs Palmer) for some fresh air and fun in The Orchard and BRAND NEW Outdoor Classroom area! The Outdoor Adventure Club is all about getting children outside, exploring nature, getting creative and having fun. Each week we dive into hands-on activities. This term will include den building (always), completing a water pulley challenge, hunters and mammoth game and guardian of the treasure game and more. Please make sure children have appropriate footwear (wellies are advised) and a coat, please. We will endeavour to be out in all weathers.

Cookery: Children will need a sealable container and apron to attend this club – both will be needed every week. **This term children will take part in the Great Northborough Bake off - CAKE, CAKE and more CAKE!** Mrs Sallis will do her best to substitute ingredients to accommodate dietary requirements such as gluten free and vegetarian choices however this may not always be possible.

Team Sportex Tag/ Touch Rugby: Tag rugby is a non contact version of rugby where physical contact, like tackling, is replaced with players wearing tags attached to their shorts that defenders remove to stop the ball carrier. It's a fast-paced, inclusive game that focuses on agility, passing, and evasion, making it suitable for all ages and skill levels.

YDP Football: Children can wear PE kit or a football kit (if they have one however if team rivalry becomes a barrier, children will be asked to wear PE kit only), shin pads and moulded football boots (not spikes or AstroTurf boots). Children play in all weathers so suitable layers are advised, this is especially important as we move into the winter months. **Children will be expected to change themselves and coaches will assist with shin pads and laces only.**

YDP Golf: Our Golf Club introduces children to the basic skills and techniques of golf in a fun, safe, and supportive environment. Through a range of engaging activities and games, children will develop their putting, chipping, aiming, and coordination skills while learning about focus, patience. The club is suitable for beginners as well as children with some experience, and aims to build confidence, teamwork, and enjoyment of physical activity through enjoyable golf-based challenges.

YDP Striking & Fielding: Our Striking and Fielding Games Club gives children the opportunity to develop key sporting skills through a range of fun and engaging activities. Children will practise striking, catching, throwing, bowling, and teamwork skills through games inspired by cricket, rounders, and other striking and fielding sports. The club focuses on building confidence, cooperation, and sportsmanship in an inclusive and supportive environment, while encouraging children to stay active and enjoy physical activity.

YDP Athletics: This popular and well attended club provides children with the opportunity to develop a range of athletic skills in a fun, active, and supportive environment. Through activities including running, jumping, throwing, and relay races, children will improve their speed, coordination, stamina, and teamwork. The club encourages all children to challenge themselves, build confidence, and enjoy being physically active, while developing good sportsmanship and a positive attitude towards competition and personal achievement.

ALL clubs run from 3.30-4.30pm
