2026 AUTUMN 1 CLUB BOOKING

Club booking **opens at 10am on Monday 20th July** and closes at **5pm on Tuesday 1st September 2026**. Club places are available on a first come, first served basis.

Due to changes in the allocation of the school's Sports Premium funding, we are unfortunately no longer able to offer one free club place per child. Any club that carries a charge must be paid for.

Payment

Where payment is required, please use 'Nboro' followed by your child's surname as the payment reference. This is essential so club organisers can identify your payment.

- YDP charge £4.50 per session, per child
- Team Sportex £4 per session, per child
- Cookery and Adventure Club £5 per session, per child

What to Wear

Children should wear their PE kit to all sports clubs, including trainers with good grip. Crop tops and sports bra-style tops are not permitted. Children attending Football, Tag Rugby or Basketball clubs are encouraged to wear warm layers and gloves during the colder months, as these clubs take place outdoors in all weather conditions.

Club Information

Choir

Choir will now run as a Wednesday lunchtime club led by Mrs Simcoe. The club remains free of charge and provides opportunities for children to perform in school and at church services throughout the Autumn Term. Children will enjoy singing a variety of traditional songs alongside modern pop favourites.

Outdoor Adventure Club

Come and join Mrs Palmer for fresh air, fun and adventure in The Orchard!

Outdoor Adventure Club is all about getting children outside to explore nature, be creative and enjoy the outdoors. Every session includes plenty of opportunities for den building and mud kitchen play, alongside exciting seasonal activities such as:

- Making and playing conker games

- Creating clay mini-beasts
- Making tree faces
- Nest-building challenges
- Hunters and Mammoths
- Capture the Flag

Please ensure children bring a coat and suitable outdoor footwear (wellies are recommended). We aim to be outside in all weather conditions.

Cookery Club

Children will need to bring a named apron and a named, sealable container every week to transport their food home.

During the Autumn Term, the club will focus on baking savoury dishes. Mrs Sallis will do her best to adapt recipes for dietary requirements such as gluten-free and vegetarian diets; however, this may not always be possible.

Chess Club

Whether your child is completely new to chess or already has experience, Chess Club is the perfect place to develop their skills.

Beginners will learn the rules and basic strategies of the game, while more experienced players will develop their tactical thinking through increasingly challenging matches. Chess encourages concentration, problem-solving, strategic thinking and resilience in a fun and supportive environment.

Team Sportex Tag Rugby

Join Mr Rockliffe for Tag Rugby, a non-contact version of rugby in which tackles are replaced by removing tags attached to players' belts. It is a fast-paced, inclusive sport that develops agility, teamwork, passing, communication and evasion skills, making it suitable for children of all abilities.

YDP Football

Children may wear either their PE kit or a football kit if they have one. However, if team rivalry becomes an issue, all children will be asked to wear their school PE kit.

Children will also need:

- Shin pads
- Moulded football boots (no metal studs or AstroTurf boots)

Sessions take place outdoors in all weather conditions, so warm layers are recommended during the colder months. Children should be able to change independently. Coaches will assist with shin pads and tying laces where necessary.

YDP Multi-Sport

Throughout the term, children will take part in a range of sports, including:

- Orienteering
- Tennis

- Basketball
- Hockey
- Running

YDP Boxercise

Boxercise is based on the training methods used by boxers to improve fitness.

Sessions are **non-contact** and may include activities such as:

- Shadow boxing
- Skipping
- Pad work
- Shuttle runs
- Press-ups
- Sit-ups

Classes are designed to be fun, safe and physically challenging while improving fitness, coordination and confidence.

YDP Basketball

Using our **new in-ground, vandal-resistant basketball hoops**, children will learn the skills needed to play basketball. This sport develops speed, agility, balance, teamwork, tactical awareness and ball skills in an enjoyable environment. Sessions will take place outdoors regardless of the weather, so children should wear warm layers. Gloves with grip are recommended during colder months.

ALL clubs run from 3.30-4.30pm
