

# Northborough Primary School

Headteacher: Mrs C A Moss

Church Street  
Northborough  
Peterborough  
PE6 9BN  
Telephone: 01733 252204

## Partnership for Success

### Northborough School aims to:

- Meet the learning requirements of each child, whatever their needs, to achieve their full potential, developing a love for learning.
- Maintain a high standard of teaching, delivering all national government requirements as well as a rich mixture of clubs, visits, inspiring external speakers and residential opportunities (at appropriate ages).
- Provide regular feedback supporting children develop their capabilities and their self-esteem.
- Ensure that each classroom is a positive and stimulating learning environment.
- Set home-learning to extend and embed the children's understanding
- Care for the safety and well-being of every child regardless of gender, race, culture, belief, values, age or ability.
- Teach children to develop a positive attitude towards each other and to understand their own role in the community.
- Communicate effectively and sensitively with parents.

### Parents and carers aim to:

Support their children in developing excellent learning attitudes and behaviours by ensuring:

- Punctual arrival at school and aiming for 100% attendance
- Smart appearance in school uniform and PE kit in line with school guidelines
- Home-learning is supported (but not done for them!) and returned on time
- Their support for the school in addressing any behavioural concerns.

Work in partnership with the school by:

- Attending consultations with the class teacher
- Reading and acting upon any information sent home
- Using discretion when discussing educational and social issues in front of children
- Fostering positive attitudes towards all members of our community
- Keeping the school abreast of any factors which may affect their child's learning.

**During discussions the children identified a "Northborough Child" as one who thinks, learns, cares, enjoys and acts. By following "Norbert's Way" we aim to:**

### Learn

- Show determination and effort
- Be able to work on your own and with other people
- Be energetic and adventurous

- Be organised and ready to learn

**Care**

- Listen to each other
- Stand up for your friends
- Welcome new people
- Look smart
- Be helpful
- Show good manners
- Be kind, respecting other people’s feelings
- Look after our school and put litter in the bins (there’s a lot of wildlife at Northborough and they can be hurt by litter)

**Think**

- Think carefully and be thoughtful
- Be curious and ask questions
- Use your common sense!

**Act**

- Do what is right
- Be independent and organised but ask for help when you need it
- Be honest and act safely
- Behave well by being responsible, respectful, reliable and resilient
- Be active

**Enjoy**

- Enjoy learning and playing with your friends; be kind, generous and forgiving
- Make friends and share
- Be a good winner, and a good loser
- Be confident and positive
- Be happy

**Together we will:**

**Listen to and support each other so that all children thrive  
in our rich learning environment.**
