Freda from St. Andrews came to answer the children's tricky questions about the Christian faith. They asked some very good questions which made Freda think and explain a lot about what she believes as a Christian.

Our crumble was red, white and blue to reflect the Queen's 90th birthday. When it was her birthday we learnt to sing the National Anthem in assembly and we often use the Lord's prayer; as it is a traditional prayer of this country. We also listen to the prayer in different languages to help children understand that people of different faiths live all over the world.

We learnt about Harvest festival and how Christians share the fruits of the harvest with those who are less fortunate. We invited in some of the people who live in the village and made crumble to share. We asked them to help us raise money for the Mustard Seed Project with donations. We learnt how to listen and ask Questions of our guests to make conversation.

We learnt about the Hindu festival which celebrates brothers and sisters. We celebrated that our school peers are like brothers and sisters; who we learn with everyday in school how to socialise and share our academic learning with.
